

SAN JOSE ELECTIONS COMMISSION
SUPPLEMENT TO JOHN DOE COMPLAINT FILED ON DECEMBER 8, 2008
MCENERY/URBAN MARKETS
ATTACHMENT A

I. INTRODUCTION

In an effort to “see through” the City’s transparent government, a comprehensive review of all City Officials’ calendars for the years 2007 and 2008 was conducted.¹ In addition to the unreported lobbyist activity outlined in the original complaint filed on December 8, 2008, several more unreported lobbyist contacts between lobbyist Tom McEnery and other lobbyists representing Urban Markets LLC and City Officials were discovered during this review.

Revisions to the lobbyist ordinance went into effect on August 1, 2007. But even before the time limit was reduced to 10 hours of contact in a 12 month period, there were requirements that In House lobbyists register if they had 20 hours of contact within a three month period.²

It is now clear that beginning in January, 2007 (and maybe even before), Tom McEnery began meeting with Mayor Chuck Reed, his Chief of Staff Pete Furman, and Councilmember Sam Liccardo. The calendar entries are often vague, noting only that the Mayor had “coffee with Tom McEnery,” or “lunch with John McEnery (lobbyist) and

¹ The calendars reviewed were obtained directly from the Internet. Unfortunately, when we requested them directly from the City through a California Public Records Request, we were advised that the City Attorney’s Office asked for them from the City Council, but did not receive complete records and possibly that “no such documents exist.” We were then advised to look for them at <http://calendars.sanjoseca.gov>.

² This is the ordinance that Mayor Reed wanted revised, as addressed in his March 29, 2007, Memorandum to the City Council. (Exhibit 2)

Sarah Broillette (lobbyist).”³ As this matter is investigated, the exact nature of these meetings should be determined “in the spirit of open and transparent government [and] to allow the public to know” exactly what our elected officials are discussing with such influential lobbyists as the McEnerys. (Exhibit 2)

At the recent December 9, 2008, City Council meeting, Tom McEnery admitted that before a June, 2008, public hearing, he had spoken extensively with Mr. Liccardo, but then stated that, “We [Urban Markets officers] spoke to no one else on the Council at that time as far as I know. I certainly did not.” (Exhibit 1) He must have forgotten about the “San Pedro Square walk through” meeting he and John McEnery had with Councilmember Pierluigi Oliverio on June 27, 2007. (Exhibit 10)

The review of calendars reveals that Tom McEnery alone had contact with reportable City Officials in various capacities over 50 times in 2007 and 2008. At most of these meetings, there were several City Officials present. It is doubtful that any other individual, much less a registered lobbyist, would be granted this type of unlimited access to the decision makers in San Jose.

This conduct should be investigated, as all City lobbyists must be held to the same standards. Reportable conduct must be “reported” in order to ensure transparent and fair government. This is necessary as stated by Mayor Reed to ensure that the City is “serious about making decisions on merit and are not overly influenced by financial interest.” (Exhibit 2)

³ Sarah Broillette and John McEnery are registered as lobbyists with Urban Markets LLC, and no other lobbyist entity to our knowledge.

II. ADDITIONAL VIOLATIONS

A. Failure to Register As A Lobbyist In 2007 In Violation of SJMC §§ 12.12.400, 12.12.180(B), And 12.12.410.

Mayor Chuck Reed's 2007 calendar reflects that he often had "coffee" or met with Tom McEnery, including on **January 26, 2007, January 30, 2007, February 14, 2007, February 26, 2007, March 13, 2007, March 16, 2007, April 24, 2007, and June 25, 2007**, although the purpose of the "meetings" is not disclosed.⁴ (Exhibit 3)

During this same time in early 2007, other lobbying activity appears to have commenced on behalf of Urban Markets LLC as well. On **March 8, 2007**, Councilmember Sam Liccardo's calendar reflects he had lunch with "John McEnery (lobbyist) and Sarah Broillette (lobbyist)." (Exhibit 4) Again, while the topic of discussion is not identified, Tom McEnery, John McEnery and Sarah Broillette are listed as officers on an Urban Markets Lobbyist Report, first filed on May 29, 2008 (over a year later).

On **September 24, 2007**, Sam Liccardo's calendar shows he had dinner with Tom McEnery. (Exhibit 5) On **October 22, 2007**, according to City Manager Debra Figone's calendar, Tom McEnery attended an otherwise unspecified "meet/greet" with Ms. Figone. (Exhibit 6)

Despite the numerous contacts and meetings between the officers of Urban Markets LLC and City Officials, Urban Markets did not register as a lobbyist until May 2008. While our investigation has not yet determined the exact number of hours spent in

⁴ The original complaint lists other contacts between City Officials and Tom McEnery in 2007 including: June 27, 2007 (P. Oliverio - walk through meeting with T. McEnery & J. McEnery/San Pedro Square), August 27, 2007 (Mayor Reed - coffee with T. McEnery "politics"), September 4, 2007 (Mayor Reed/Pete Furman - coffee with T. McEnery), September 18, 2007 (Mayor Reed/Pete Furman - coffee with T. McEnery), October 2, 2007 (Mayor Reed/Pete Furman - coffee with T. McEnery), October 23, 2007 (Mayor Reed/Pete Furman - coffee with T. McEnery), November 13, 2007 (Mayor Reed/Furman - coffee with T. McEnery), November 14, 2007 (Harry Mavrogenes and other RDA representatives met with T. McEnery, J. McEnery and Sarah "McEnery"), and November 17, 2007 (Sam Liccardo - T. McEnery (lobbyist) re: San Pedro Square District Presentation).

these unreported meetings, it could have easily exceeded the 20 hours outlined under the previous ordinance. Also, although the exact topics of discussion are not identified, these multiple meetings happened at a time when Urban Markets LLC and its officers were meeting with other high ranking City Officials to discuss the San Pedro Square Project. The nature of these meetings should be investigated, and the meeting participants should be interviewed.

B. Failure To Report Contacts Made With City Officials In 2007 In Violation Of SJMC §§ 12.12.420(G), And 12.12.430(B).

The original complaint outlines multiple contacts between Tom McEnery and City Officials in June, 2007. Based on the calendars we have now obtained online, it appears there were multiple contacts made as early as January, 2007. Again, as detailed in the original complaint, Urban Markets should have registered and filed a quarterly report in 2007 under SJMC §§ 12.12.400, 12.14.410, and 12.12.430.

C. Failure To File A Quarterly Report For The First Quarter Of 2008, Which Was Due By April 15, 2008, In Violation Of SJMC § 12.12.430.

As outlined in the original complaint, by delaying its original registration as a lobbyist entity until May 29, 2008, Urban Markets also failed to file a first quarter report for 2008. In addition to the unreported contacts set forth in the original complaint, we have now identified at least one additional unreported meeting.

On **January 16, 2008**, Councilmember Kansen Chu's calendar reflects he met with Tom McEnery at "Starbucks/San Pedro/Santa Clara Street." (Exhibit 7) This meeting was not reported by Urban Markets on any of its reports.

D. Failure To Report Contacts Made With City Officials For The Third Quarter Of 2008, Ending September 30, 2008, In Violation Of SJMC §§ 12.12.420(G) And 12.12.430(B).

In addition to the unreported contacts identified in the original complaint, a review of the Councilmembers' calendars shows there were additional unreported contacts during the third quarter of 2008.

On **August 25, 2008**, Kansen Chu's calendar indicates he met with Tom McEnery at Peggy Sues in San Pedro Square. No topic was disclosed and the meeting was not reported by Mr. McEnery or Urban Markets. (Exhibit 8) On **September 29, 2008**, David Cortese's calendar shows he met with Tom McEnery and John McEnery in the McEnery offices. (Exhibit 9) Neither meeting was reported by Urban Markets.

III. CONCLUSION

During these tough economic times, when public resources are scarce and neighborhood priorities go unfunded, the City persists in giving Urban Markets a \$6 million subsidy. The San Pedro Urban Market idea was conceived in back rooms and street corner coffee shops over two years ago, it was nurtured quietly and often without documentation. The McEnerys and Urban Markets were granted unprecedented access to City Officials and failed to report the extent of their ongoing lobbying. This conduct must be investigated and the appropriate penalties imposed.

INPUT AND YOUR DIRECTION ON HOPEFULLY APPROVING THE BUSINESS TERMS, WHICH WILL SET THE STAGE FOR US TO BE ABLE TO DO THE WORK AND PULL FURTHER INFORMATION TOGETHER, DO A STUDY SESSION WHERE YOU CAN ASK MORE QUESTIONS AND WE CAN DELVE DEEPER INTO THE PROJECT AND HOPEFULLY COME BACK WITH AN OWNER PARTICIPATION AGREEMENT IN EARLY 09 AND GET THE PROJECT GOING. WITH THAT UNLESS THERE ARE QUESTIONS I WILL TURN IT OVER TO THE DEVELOPER SO HE CAN SHOW YOU HIS PROJECT.

>> LET'S DO THAT HAVE THE APPLICANT. DO THAT FIRST.

>> SOME OF THE OLDER PEOPLE IN HERE MAY REMEMBER THAT THE ACTUALLY SAT ON THIS BODY AT ONE TIME FOR A NUMBER OF YEARS. I WAS UNDER THE IMPRESSION THAT HISTORIANS WOULD HAVE TO KEEP MY NAME ALIVE I SEE THAT IS NOT THE CASE. I HAVE COME TO CITY HALL 3-4 TIMES I NEVER ADDRESSED THE COUNCIL BEFORE. COUNT ON ME EVERY 18 YEARS. POLITICAL ATTACKS, LAST MINUTE AND UNANIMOUS ARE NOTHING NEW TO ME OR MY FAMILY. I SAW IT IN MY ELECTION FOR MAYOR AND AS MAYOR AND DURING THE ARENA CAMPAIGN AND AGAIN NOW AT THE LAST MINUTE. I THINK IN THOSE CASES THE CITIZENS DECIDE THAT APPROPRIATELY AND I RESPECT THEIR JUDGMENT. I'M SORRY THAT A HOPEFUL PROJECT AS WE ARE DISCUSSING TODAY IS BEING SUBJECTED TO SUCH ATTACKS. AS I SAY, MY FAMILY AND I ARE USED TO THAT. IF WE THINK THINGS ARE IMPORTANT WE THINK WE OUGHT TO STICK WITH THEM. BEFORE ANY PUBLIC HEARINGS THE ONE IN JUNE, I DID SPEAK EXTENSIVELY AS OUR TEAM DID TO STAFF AND SPOKE TO OUR COUNCIL REPRESENTATIVE SAM LICCARDO. WE SPOKE TO NO ONE ELSE ON THE COUNCIL AT THAT TIME AS FAR AS I KNOW. I CERTAINLY DID NOT. YOU KNOW MY FIRST PUBLIC EFFORT WAS RESTORING THE ADOBE A HISTORIAN LEONARD MC KAY AND MY FATHER DRAGGED ME INTO THAT ONE OF THE CITY WAS NOT INTERESTED IN HISTORICAL PRESERVATION AT THAT TIME. A NUMBER OF PEEP AND MYSELF GOT TOGETHER AND RESTORED IT. I THINK WE DID THE RIGHT THING. IN A WAY THIS IS FULL CIRCLE. ALSO IN PREREDEVELOPMENT DAYS MAY BE WHEN SUZANNE HAMMER AND I WERE MAYOR CITIZENS DID THINGS FOR THEMSELVES THE ARCH AT SAN PEDRO SQUARE WE FINANCED THAT NOT THE CITY. WE ONCE AGAIN WANT TO HELP OURSELVES. TIMES ARE DIFFERENT NOW. REVITALIZING THE ADOBE AND THE HISTORIC GEM, FALLON HOUSE ARE SO IMPORTANT. THEY ARE IMPORTANT TO PEOPLE DOWNTOWN BUT THEY ARE IMPORTANT TO THE MUCH GREATER COMMUNITY. I THINK THIS IS A TIME FOR PEOPLE IN THE CITY TO PULL TOGETHER TO TAKE A LOOK AT REAL ISSUES AND MOVE FORWARD WITH THEM. I REALLY HOPE AND TRUST AND AM CONFIDENT THAT LAST MINUTE ATTACKS WILL NOT EFFECT THE MERITS OF A PROJECT LIKE THIS. FOLLOWING MY FATHER, MOST OF THE WORK HERE HAS BEEN DONE BY MY NEPHEW AND MARTIN MENNY. I WOULD LIKE TO TURN IT TO JOHN.

>> GOOD ASBESTOS I'M JOHN MC HENRY PART OF THE MARKET PROJECT. WE HAVE BEEN TRYING FOR DECADES TO MAKE DOWNTOWN A PLACE THAT PEOPLE WANTED TO COME. FUN, SAFE, CLEAN WITH ACTIVITIES. WE HAD MANY SUCCESSES WE LACK THAT MAIN GOAL, THE PEOPLE. IT WILL TAKE A UNIQUE PROJECT SOMETHING LARGER THAN JUST RESTAURANTS, MORE THAN RESIDENTIAL TOWERS, TRULY A PLACE THAT PEOPLE WANT TO HANG OUT. WE STUDIED CITIES AND THOSE WE WERE FONDEST ON HAD PUBLIC MARKETS. SEATTLE AND BOSTON. FERRY BUILDING IN SAN FRANCISCO. GRANDVILLE ISLAND IN VANCOUVER. MIX OF PEOPLE AND THE RETAIL, SHOPS, PRODUCE, RESTAURANTS AND ACTIVITIES ARE JUST A NICE PLACE TO SIT AND READ A BOOK OR ESHG MAIL. THESE OTHER PLACES WE WANT TO EMULATE. PLACES THAT ARE ATTRACTING A LOT OF PEOPLE. WE ASSEMBLED THE PROPERTIES NECESSARY AROUND IN UNDERUTILIZED PLAZA. WITH RESOURCE HIDDEN THE A DOEB AND HE FALLON HOUSE. WE WANT TO REVITALIZE THIS WHICH CAN BE BUILT IN 18 MONTHS. I WOULD LIKE TO INTRODUCE THE ARCHITECT TO SHARE VISION WE SHARED WITH HIS FIRM AND THE REDEVELOPMENT AVERAGE. THANK YOU VERY MUCH. I WILL GO THROUGH A SERIES OF SLIDES WHICH WILL SHOW THE GOALS OF THE URBAN MARKET AS WELL AS THE SPECIFICS. JANET DID A GOOD JOB ALREADY IT IS A UNIQUE PLACE TO CREATE ALTERNATIVE RETAIL AND ENTERTAINMENT THAT IS DIFFERENT FROM THE OTHER AREAS OF THE CITY AND DOWNTOWN. CREATE A UNIQUE I DENTITY FOR SAN PEDRO SQUARE THAT IS ICONIC. CREATE SOMETHING THAT IS PEDESTRIAN ORIENTS. RECOMMENDATION

1. Direct the City Attorney to return to council with amendments to the revolving door ordinance to extend the existing prohibitions from one year to two years.
2. Direct the City Attorney to return to council with amendments to the lobbyist ordinance to ban success fees, and in those cases where the city cannot ban success fees, require disclosure to the City Clerk for posting on the internet prior to meeting with City officials.
3. Direct the City Attorney to return to council with amendments to the lobbyist reporting form to require more disclosure by adding more income categories and a category for success fees.
4. Direct the City Attorney to return to the council with amendments to the lobbyist ordinance to reduce the number of hours required for an In-House lobbyist to register, from 20 hours within any three month period, to 10 hours within a 12 month period, and to aggregate the number of hours spent by different individuals from the same legal entity in determining the 10 hour threshold:
 - (a) Direct the City Attorney to return to council with amendments to the lobbyist ordinance to create an exemption from registration for nonprofit organizations that are tax exempt organizations under Internal Revenue Code Section 501 (c) 3.
 - (b) Direct the City Attorney to return to council with amendments to the lobbyist ordinance to make clear that if a developer is required to register as a lobbyist they cannot avoid registration by having a contract lobbyist.
 - (c) Direct the City Attorney to return to the council with amendments to the lobbyist ordinance to exempt from registration small business owners who are representing themselves and who have not made or solicited contributions, donations, expenditures for or at the behest of the Mayor or Councilmembers or to independent committees in San Jose campaigns within the last year in excess of \$1,000.

BACKGROUND

These recommendations were originally made by the Transition Committee's Government Reform and Ethics subcommittee chaired by Dave Cortese or evolved from the Rules and Open Government Committee discussing their recommendations. Councilmembers Sam Liccardo and Pete Constant also participated on this subcommittee which consisted of 12 community members. Recommendation 4 (a) was suggested by members of the nonprofit community, as

they were concerned about modifications to the lobbyist ordinance and how they would be affected, as well as the cost if they were required to register as a lobbyist.

ANALYSIS

Revolving Door Ordinance – The Transition Subcommittee strongly believes the ordinance needs to be amended to reflect a longer period of time between leaving employment with the City and representing an entity before the City or being hired and assisting a company positioning itself for dealing with the City. This increase in the duration limits is intended to primarily prevent former officials and employees from profiting from their prior City service unfairly and to insure that a private firm does not have an unfair advantage in dealing with the City by hiring a former employee. Increasing the time frame from one to two years will assure citizens that the Council is serious about controlling the influence of former city employees with the City.

Success Fees – Currently, 38 states, including California, ban success fees as do a growing number of major cities in the country. The major concern with success fees is that a lobbyist may be tempted to resort to any means necessary to secure their goals when their compensation is linked directly to the outcome. Moreover, when the compensation in the form of a success fee is a large amount, it can create the impression that a legislative decision is overly influenced by money and thus give a negative impression to the general public. To the extent success fees cannot be banned, they must be disclosed.

Reporting Form – Modifying the lobbyist reporting form to include categories for higher levels of fees will give everyone a clearer idea of what amount of compensation a lobbyist receives. Currently the highest category is for \$100,000 and above. We believe by adding a category for \$200,000 and above and for \$400,000 and above it would provide a better degree of clarity for any interested party. Success fees should also be included on the form.

Hour Threshold for Lobbyist – Under the 20 hour per quarter threshold requirement for someone to qualify and register as a lobbyist, too many people who have lobbied the City Council have not had to register as a lobbyist. The general public, the media and other interested parties should know who is lobbying Councilmembers. To insure that people acting as lobbyists register, we strongly support lowering the number of hours to qualify as a lobbyist. Also, to avoid the possibility of a legal entity skirting the lobbying regulations by having multiple employees lobby Councilmembers, the new threshold will apply to a company not individuals. This approach of aggregating the number of hours will reduce the chance of an organization circumventing the City's lobbying ordinance and not disclosing their activities.

Exemption for 501 (c) 3 Nonprofits – It is appropriate to exempt 501 (c) 3 nonprofit organizations from having to register as lobbyists. The lobbyist registration fee is burdensome on many nonprofits and we don't believe the City is interested in regulating the activities of those entities that are not engaged in raising money for political campaigns. These organizations are also regulated under federal and state tax rules.

Developers –The lobbyist ordinance has to be clarified so that if a developer hires a contract lobbyist and the applicant still lobbies the council and reaches the threshold for hours they must register as a lobbyist.

Small Business Owners – The Rules Committee felt we must provide an exemption for small business-owners who on rare occasion may need to discuss an issue with the City. The City Attorney will need to develop a definition for the term small business-owners.

Conclusion

Approving the recommendations from the Transition Subcommittee on Government Reform and Ethics will continue to reinforce to the general public that we are serious about making decisions on merit and are not overly influenced by financial interest. We encourage you to support these recommendations.
